ACCOUNTING TAX & ADVISORY OF SAN DIEGO, LLC, AS FINANCIAL ADVISOR
TO THE RECEIVER OF AMERINDO INVESTMENT ADVISORS INC. *et. al.*,
FIRST INTERIM APPLICATION FOR COMPENSATION AND
REIMBURSEMENT OF EXPENSES**

CBIZ Accounting Tax & Advisory of New York LLC (“CBIZ NY”) and CBIZ Accounting Tax & Advisory of San Diego LLC (“CBIZ SD”, collectively “CBIZ” or “Consultant” or “Financial Advisor”), the Court approved financial advisor to the Receiver in the above-captioned case, hereby submits this First Interim Application (the “Application”) for compensation for services rendered in the amount of **\$139,915.05¹** and reimbursement of expenses in the amount of **\$124.83 for the period July 11, 2013 through December 31, 2013** (the “Compensation Period”), and respectfully states as follows:

¹ The fees are discounted pursuant to the Court approved Consultant Agreement, in which CBIZ has agreed to a voluntary reduction of 30% on all fees associated with the work performed. Further, the fees include an additional voluntary reduction of \$8,465.00 which was agreed to with the Securities Exchange Commission.

PROCEDURAL BACKGROUND

1. On October 17, 2012, the Court entered an order appointing the Receiver and empowered him “to investigate and determine the value of investor assets that have been seized or frozen pursuant to the forfeiture order in the [related] criminal case, to consider what actions can and should be taken to avoid dissipation of those assets, and to submit a report to the Court regarding his findings and recommendations. Upon receiving his report, the Court will determine whether Mr. Gazes should be empowered to take broader action, such as managing the assets and beginning a claims process for investors.”

2. On March 14, 2013, the Court entered an order in the related criminal case, *United States of America v. Alberto William Vilar and Gary Tanaka*, S3 05 Cr. 621 (RJS), modifying its previously entered Post-Conviction Restraining Order to authorize the withdrawal of \$50,000.00 from a restrained account to provide for the Receiver’s compensation (the “Compensation Order”).

3. On May 30, 2013, the Receiver filed his Initial Report and Recommendations (“R&R”).

4. On June 20, 2013, the Court signed two orders (together, the “Claims and Distribution Orders”) adopting the R&R and directing the Receiver to “begin the process of establishing a distribution fund and a claims and interim distribution procedure” as set forth in the R&R.

5. On July 19, 2013, the Receiver filed his First Status Report which Report was “so ordered” by the Court on July 30, 2013. Among other things, the Report established (a) August

6, 2013 as the deadline for the Receiver to publish notice of the proof of claims Bar Date in the Financial Times and (b) September 20, 2013 as the Bar Date to file proofs of claim.²

6. On September 30, 2013, the Court ordered that all objections to filed proofs of claim be submitted by November 8, 2013.

7. On October 2, 2013, the Court entered an order authorizing the Receiver to retain CBIZ Accounting and Tax Advisory of New York LLC and CBIZ Accounting and Tax Advisory of San Diego LLC (together “CBIZ”) as financial advisor, *nunc pro tunc* to July 11, 2013.

8. On October 4, 2013, the Receiver filed his Second Status Report along with claims register setting forth a list of all proofs of claim received prior to the expiration of the Bar Date. The Second Status Report was “so ordered” by the Court on October 28, 2013.

CASE STATUS

9. Upon his appointment, the Receiver set out to determine the feasibility of establishing a claims and distribution process for the benefit of the Defendants’ investors. This involved a preliminary valuation and disposition of assets as well as meeting with many of the major parties in interest including the criminal Defendants³ to establish a claims process.

10. Following the Court’s adoption of the R&R and the filing of his First Status Report, the Receiver gave notice of the Bar Date, communicated with numerous potential claimants, reviewed all filed proofs of claim, and compiled and filed the claims register.

11. Simultaneously with the foregoing, the Receiver established a Distribution Fund, which consists of the cash balances transferred from J.P. Morgan accounts in the approximate sum of \$31,000,000 (as of December 31, 2013). In addition, the Receiver worked with J.P.

² Capitalized terms not defined herein shall have the meanings accorded such terms in the R&R and/or First Status Report.

³ Although the defendants’ did not enter into a consensual agreement the Receiver adopted and utilized the protocol set forth in a proposed agreement including the exhibits for the distribution process such as the protocol for the interim distribution, and the Notice of Bar Date and proof of claim forms.

Morgan to cause the transfer of the four (4) Amerindo cash accounts transferred to accounts with the Receiver being the sole signatory thereof. The Receiver also began the process securing the turnover of funds held in certain Miscellaneous Accounts as well as funds held by the Bahamian Liquidator for the Amerindo Internet Growth Fund in the Cayman Islands. Copies of the most recent J.P. Morgan Account Statements are attached to this Application along with the Standardized Fund Accounting Report for the Compensation Period as Exhibits “A”.
